INFESTED BY THIS PEST:
CHECK CAREFULLY
YOUR VEHICLE
BEFORE YOU LEAVE
GET IT OFF YOUR CAR!**

DON'T GET INTO A PANIC: it does not sting or bite and it's not poisonous, but
it poses a serious threat to agriculture and to the environment

REGIONE
PIEMONTE

(<https://commons.wikimedia.org>. Adaptado.)

QUESTÃO 21

The main purpose of the poster is to

- (A) point out that the pest is out of control.
- (B) prevent people from being scared.
- (C) warn that the insect bite might hurt.
- (D) inform people that driving is prohibited in the area.
- (E) avoid risks for crops and the environment.

RESOLUÇÃO

ALTERNATIVA: E

O cartaz mostrado alerta os viajantes para **não transportarem uma praga agrícola**, indicando riscos ambientais caso o inseto seja levado a outras regiões. Assim, o objetivo do pôster é **evitar danos às plantações e ao meio ambiente**, tornando correta a alternativa (E) **avoid risks for crops and the environment**.
